RE: Late fee assessment for the October 22, 2011 Election
Supplemental Campaign Finance Disclosure Report

Dear Chris Sommers:

I received your February 5, 2016, letter regarding Late Fee Assessment for the October 22, 2011 Election, Supplemental Campaign Finance Disclosure Report. I submit my annual report each year but, honestly, was unaware of the requirement for submitting the Supplemental Report. Currently, I have requested guidance from your staff the proper steps for closing out the report and will begin this process shortly because I do not plan to seek office for any position other than the one I hold, currently. In this regard, I choose item 1 noted in your letter and submit this letter as my request that the Board of Ethics waive the late fee assessment. Additionally, I would like to appear before the Board of Ethics to discuss this matter, if considered necessary.

Do not hesitate to let me know if you have questions or need additional information.

Sincerely,

Edward L. Brown
